Chip Stock Makes ESNA's 2023 Top 20 Global Independent Distributors Report

CHARLOTTE, NORTH CAROLINA – September 15, 2023 – [Chip Stock](#), a factory direct electronic component distributor and supply chain solution service, today announced it has been named as one of the Top 20 Global Independent Distributors in [Electronics Sourcing North America's](#) 2023 report.

“To be listed in ESNA's Top 20 Global Independent Distributors 2023 Report is an honor for Chip Stock,” said Dustin Osborne, President of Chip Stock. “It is our mission to provide quality components in an efficient and cost-effective manner while helping our clients fulfill their electronic component needs. Being recognized for fulfilling that mission is a worthwhile achievement for Chip Stock.”

According to ESNA's 2023 Report, Chip Stock year-over-year growth from 2021 to 2022 increased by 277%.

“Our growth over the last few years has been staggering and exponential,” Osborne continued. “We're excited to continue the momentum!”
